

# CROWBAR

345 Parramatta Road, Leichhardt, NSW 2040

Our Sydney venue is wheelchair accessible. The bar, kitchen, venue, patio and accessible bathrooms are all on one level via the Parramatta Road entrance, the beergarden is accessible via the carpark entrance, and our team will assist with access via the back gate when needed, alternative smoking areas are available though in the front bar and on Parramatta Road.

All our events in the venue room are standing, unless otherwise specified. If you require a seat due to accessibility requirements, please reach out to us prior to show day so that we can assist. Seated events have un-allocated seating meaning first in, best dressed. In all cases we recommend getting in early if you want to get a good spot.

We have a range of booths and tables in the front bar, patio & beergarden that are all available for walk ins, you can also reserve a table in these areas via OpenTable.

A companion card is issued to people with a disability who have a lifelong need for attendant care support in order to participate in community activities and attend venues. Crowbar provides companion card holders with a second ticket for their companion at no cost (given availability).

To arrange this please contact us or Oztix directly with your ticket confirmation and companion card details. Service dogs are welcome in all areas except when there is loud music/shows as this may effect their hearing.

We have five bathrooms total. Two bathrooms inside, female in the front bar, male in the venue, on the patio we have male and female bathrooms and an accessible & gender neutral bathroom. 'Male' bathrooms are signed as such, because they contain public (not enclosed) urinals.
